

# THIS IS OUR HOME - FORT WILLIAM

## Events for EU/EEA & Swiss citizens and friends

### 11:00 to 13:00, Alexandra Hotel

Our friends from Citizens' Rights Project, with support from the Scottish Government, are providing a free information session for EU citizens alongside our tour in Fort William.

### 14:00 to 16:30, Ben Nevis Inn & Bunkhouse

We have come from many places around the world but Scotland is the place we call home. Join the3million for a group picture to immortalise our message of love for Scotland. We will follow that with a social get-together.
